

Word Study for --- OBSERVE

A photograph of a sunset over a body of water, viewed through a grid of barbed wire. The sun is low on the horizon, creating a bright, shimmering reflection on the water's surface. The sky is a warm, golden-brown color. The barbed wire is in the foreground, creating a grid pattern that partially obscures the view of the water and sky. The text is overlaid on the top half of the image.

Isaiah 42:20 Seeing many things,
but thou observest not; opening
the ears, but he heareth not.
