A close-up photograph of a yellow rose with water droplets on its petals, set against a dark background. The rose is the central focus, with its many layers of petals creating a complex, textured appearance. The lighting highlights the edges of the petals, giving them a soft, glowing quality. Several small, clear water droplets are scattered across the surface of the petals, adding a fresh and delicate touch to the scene. The background is dark and out of focus, which makes the bright yellow of the rose stand out prominently.

and said to Amaziah, I was no
prophet, neither was I a prophet's
son; but I was an herdman, and a
gatherer of sycamore fruit:**

The flowers are in various stages of bloom, with some showing the intricate details of their stamens and centers. The overall scene is bright and natural, with a soft focus on the background foliage.
