

# Word Study for --- BROTHERHOOD

**Zechariah 11:14 Then I cut asunder  
mine other staff, even Bands, that  
I might break the brotherhood  
between Judah and Israel.**

A large, weeping tree with dense foliage in shades of yellow, green, and brown, set against a clear blue sky. The tree's branches hang down, creating a cascading effect. In the foreground, there are some lower bushes and a grassy area. The overall scene is bright and clear.

1st Peter 02:17 Honour all men .  
Love the brotherhood. Fear God.  
Honour the king.
