A close-up photograph of a bright yellow flower, possibly a lily or a similar species, with several green buds and stems visible. The flower is the central focus, with its petals showing some texture and a few small water droplets. The background is dark, making the yellow and green colors stand out. The text is overlaid on the image in a white, serif font.

**Isaiah 35:07 And the parched  
ground shall become a pool, and  
the thirsty land springs of water:  
in the habitation of dragons,  
where each lay, shall be grass with  
reeds and rushes.**
